**Please submit this form along with photos and a history of your car** (if you have not entered previously) to be included in our events. Each entry request will be evaluated by our team to determine historically correct mechanicals and presentation. Cars that have modificatons not available in 1920 will not be accepted (with some exceptions). Preference is given to authentic period race cars, but authentic re-creations are also accepted. If you are accepted to participate in your requested events, we will send you an acceptance notice by email and instructions for payment of entry fees.
